

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is now associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are known in the industry as strong and durable equipment that satisfies the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to provide components, warranty service and equipment for these types of scrubbers which carry both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility supervisors where results and efficiency make a difference. Recently, this particular floor scrubber model has been used by the architects in various construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on site because of the model's high standard of quality and supreme performance level for polishing concrete.
